DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the Title:

The title has been replaced with "Optical film having low chromaticity variation and quarter wavelength plate, and liquid crystal display using the same".

End of examiner's amendment.

Allowable Subject Matter

2. Claims 1, 3, 4, 6-15, 18, and 19 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose the device of claim 1, in particular the additional limitation (amended from the previous claim 5) that the quarter wavelength plate comprises a retardation film satisfying $n_x^r > n_y^r = n_z^r$ and a liquid crystal layer satisfying $n_z^c > n_x^c \geq n_y^c$, as defined in the claim. Claim 1 is therefore allowed, as are its dependent claims 3, 4, and 6-15.

The prior art does not disclose the device of claim 18, in particular a quarter wavelength plate comprising a retardation film satisfying $n_x^r > n_y^r = n_z^r$ and a liquid crystal layer satisfying $n_z^c > n_x^c \geq n_y^c$, as defined in the claim. Claim 18 is therefore allowed, as is its dependent claim 19.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

U.S. Patent No. 6,519,017 to *Ichihashi et al.* and U.S. Patent No. 6,400,433 to *Arakawa et al.* disclose quarter wavelength plates with two layers, one or both formed of liquid crystal, but not satisfying the inequalities recited in claims 1 and 18.
